MEMORANDUM FOR: THE EXECUTIVE, CIA
SUBJECT: OPC Travel Procedure

1. It is my understanding that the authority to issue travel orders for CIA personnel is exercised by the Budget Officer and his Covert Deputy. I further understand that Confidential Funds Regulations, dated 1 February 1949, permit me to delegate the responsibility of recommending travel on unvouchered funds to my Executive Officer but that [] limits my authority to delegate such responsibility with regard to vouchered fund travel merely to my Deputy.

25X1A

25X1A

2. In OPC, the Deputy concerns himself primarily with matters of policy, planning and programming and I have attempted to centralize responsibility for supervision of administrative matters in my Executive. I believe that this tends to effect better administrative control in our particular office and it would seem beneficial to delegate the travel control responsibility to the same individual regardless of whether travel is to be performed on vouchered or unvouchered funds. Such centralized control would seem to be in keeping with the spirit of [] and also with the recent reorganization of CIA.

25X1A

25X1A

3. If you concur in this suggestion will you kindly instruct the General Counsel to prepare a memorandum for my signature which will delegate authority for travel control to the OPC Executive Officer.
